

Duplication of Benefits Disclosure and Certification

Funds awarded under the CARES Act are to prevent, prepare for, and respond to the COVID-19 crisis and assist with unmet needs in our community. In order to ensure that there is no duplication of services, you must agree to disclose any-and-all assistance you or members of your household have - or will receive - in relation to the services included in your CDBG-CV grant. In order to prevent duplication of benefits, the uses of CARES Act CDBG-CV funding will require you to certify that your needs with this grant are 100% unmet and have not been paid for by any other source. This means there has not been, nor will there be, any other funding received to cover the expenses you are including in your CDBG-CV grant.

If you receive a grant under the CARES Act CDBG-CV funding from the Washington County CDA, and are subsequently receive a duplicate benefit, you will agree to pay the CDBG-CV funds back to the Washington County CDA in the amount of such duplication.

Please list any and all other sources you have received and the timeframes:
